

Declaration on the obligation to inform web pages (Data protection)

The protection of your personal data is very important to us. Therefore we process your data exclusively on the basis of the legal regulations (DSGVO, TKG 2003). In this privacy policy we inform you about the most important aspects of data processing within our website.

Contact us

If you contact us via the form on the website or by e-mail, your data will be stored for six months to process the request and in case of follow-up questions. We will not share this information without your consent.

The data name, address, purchased goods and date of purchase are also stored until the end of product liability (10 years). Data processing takes place on the basis of the statutory provisions of § 96 (3) TKG and Art. 6 para. 1 lit a (consent) and / or lit b (necessary for fulfillment of the contract) of the GDPR.

Cookies

Our website uses so-called cookies. These are small text files that are stored on your device using the browser. They do not harm.

We use cookies to make our offer user-friendly. Some cookies remain stored on your device until you delete them. They allow us to recognize your browser on your next visit.

If you do not want this, you can set up your browser so that it informs you about the setting of cookies and you allow this only in individual cases.

Disabling cookies may limit the functionality of our website.

Web analytics

Our website uses features and web analytics services. For this purpose, cookies are used that allow an analysis of the use of the website by your users. The information generated thereby is transmitted to the server of the provider and stored there.

You can prevent this by setting up your browser so that no cookies are stored.

We have concluded a corresponding contract data processing contract with the provider.

The data processing takes place on the basis of the legal regulations of the § 96 Abs 3 TKG as well as the art 6 Abs 1 a) (consent) and / or f (legitimate interest) of the DSGVO.

Our concern in the sense of the DSGVO (legitimate interest) is the improvement of our offer and our website. Since the privacy of our users is important to us, the user data are pseudonymized [pseudonymization is recommended in the legal ground "legitimate interest"; this must be clarified with the web analysis service].

The user data will be stored for the duration of 1 month.

Your rights

In principle, you have the rights to information, correction, deletion, restriction, data portability, revocation and opposition. If you believe that the processing of your data violates data protection law or if your data protection claims have otherwise been violated in a way, you can complain to the supervisory authority. In Austria, this is the data protection authority.
